Supplement for August 1904

N. B. - The complete Catalogue of Cinematograph films  
will be sent post free on application.

## VERY IMPORTANT NOTICE

With all our films, we supply a length of about (5 feet) which is attached, and bears the title of the subject with our trade-mark; this protects us against imitators, and affords our clients the advantage of economising their expenditure, as the use of a second lantern for fixed titles is not required.

We supply these titles in French, English, German, Spanish, Italian or Russian, as our clients may desire.

Consequently, all those who procure our films through dealers, agents or others, should insist on having the title *in red* with our trade-mark, the Coq, to the right and left, which is the only guarantee that they are our manufacture and not merely copies.

We send a photograph (1/2 plate size) with nearly all our films, representing the most interesting part of the scene, and which is supplied gratuitously to every purchaser.

1° All our films are sold as **SUBJECTS**.

2° The approximate lengths which we mention are only for your guidance.

3° We supply the Subjects at the **FIXED PRICES** stated in this Catalogue.
